## Spring clean your credit

All adults should carefully examine their free credit reports every year to make sure they are accurate. Mistakes on your report can be costly to you if you ever need to take out a loan, get a credit card or buy a home or a car. There may even be incorrect items on your report because of identity theft. Call 877-322-8228 to get a free report each year from all three major reporting agencies.

## Have you made a will?

4 reasons why every adult needs a will, prepared by a lawyer:

1. A will lets you choose who will be in charge of distributing what you leave behind.
2. A will is the only way to make sure you decide who will inherit your money and property.
3. A will lets you name your choice of guardians for your underage children.
4. A will makes the process of distributing your property quicker and less costly.

Call Member Services at 800-551-3225 to make an appointment with a lawyer to write your will. It's free and confidential.
