Your Immigration Benefit

As a 32BJ member you are entitled to an extraordinary legal benefit for multiple types of immigration matters through the Building Service 32BJ Legal Services Fund. All attorney services are free to you and your eligible dependents for covered legal matters. For Naturalization, Adjustment of Status and Relative Petitions you only pay a \$100 deductible and the rest of the filing fee is paid for by the Legal Fund. For all other covered immigration matters you pay a \$500 deductible and all filing fees over your \$500 deductible are shared 50/50 between you and the Legal Fund.

Do you have questions about filing a petition or your immigration status in the current immigration landscape? Are you concerned about your TPS status and what you will do when it expires? Are you anxious that your relatives will not be able to come to the United States because they don't have health care or can't pay for it? Are you worried that your past use of public benefits will impact your immigration status?

All of these are great questions that can be answered by meeting with a Legal Fund Attorney. Call 800-551-3225 to make your appointment.

CALL MEMBER SERVICES AT 800-551-3225 to make an appointment to see a lawyer at no cost to you.

If you have a legal concern, only a lawyer who knows the specific facts of your case can give you advice.
